

BIO:

Chris Moreau is a US Navy Aircrew, Combat Decorated Veteran with a style groomed from playing the dance halls of Southwest Louisiana and East Texas.

From Bluebonnets beneath a Lone Star in Texas to sandy boots in Florida and all roads in between!

Real Music for Real People about Real Life!

Chris started out playing rhythm guitar and singing classic country with Louisiana local bands, then grew my own following before moving to Branson for a few years to play with some very talented musicians. After

a pretty long hiatus, Chris has decided to get back into his music by recording and releasing music that is not over-produced and is a “what you hear is what you will get live” approach. This is music that will sound the same in a live performance without computer generated “fixes”.

Country music has always drifted a little right and left of center over time, but Chris is making a strong effort to bring it back a little closer to center with traditional instrumentation, real musicians, with real lyrics about real life that we can all relate to.

MUSIC (LATEST RELEASE):

Are you a "Good Timin' Holic" yet?

Peaking into the charts at # 105 on the TCMC (Texas Country Music Chart) and "bubbling under" on the TRRR (Texas Regional Radio Report) at # 112! Also up to # 9 on last week's Nu Louisiana Country Chart.

"Born on a Honky Tonk Night" was written by my friends Mark Sherrill (Ole' Red, hit for Blake Shelton and quite a few other hits through the 70's 80's and 90's), along with John Fountain, Tom Wurth, and Alex Dooley and brings back a bit of 80s / 90s country music feel. A Good Timin', Honky Tonkin' tune! It's a good ol' dancing song too! **ENJOY!**

It's Real and it's Country!
